J&K GENERAL
CONTRACTORS

COMMERCIAL & RESIDENTIAL

The courthouse is a three-story building with a steel frame, brick veneer, metal panels on light gauge framing, and curtainwall glazing. An existing building on the site will be demolished, requiring careful planning and phased early site work. The building covers 51,697 square feet and features an exterior design of brick, metal wall panels, and curtain wall.

📍 Raeford, NC

The James Leach Aquatic & Recreation Center in Raeford, NC, is a 53,000 sq. ft. two-story building with full-height glass walls. It includes a Natatorium with a 7-lane competition pool, a recreation pool with a water slide, and seating for 200. The Gymnasium features a high-school regulation basketball court, convertible floor space, and bleachers for 650 spectators. Additionally, there are 6 multi-purpose rooms, a concession stand, locker rooms, and offices for the Hoke County Parks and Recreation Department.
